

**2008-2009 School Year
Parent/Guardian Input**

Our goal, at Foothills is to create a schedule that will allow all students to be successful in their classrooms and have a positive school experience while meeting district and state requirements. Many factors affect the placement of a student. Your student may have special needs. Please use the space below to outline any unique concerns you may have. This information is confidential and is only shared with the counselor for the purpose of classroom placement.

Student Name: _____

Grade Level: _____

Input provided by: _____
(your name)

Please note any concerns or special needs that would be important to consider when creating a schedule for your student.

I need a conference to further discuss the needs of my student.

*Please note:
All reasonable requests will be fulfilled if possible. We cannot honor requests for specific teachers, lunch times, or students being in the same class as friends.*
