

Name _____ Grade /20 Meeting Date _____

Title: _____ Author _____ Genre _____

Book Club Week #2 Pages _____ - _____

Describe a part of the story where you were confused, or you were not sure what would happen next. Then explain how you cleared things up in your mind, or what you predicted would happen next. Refer to the story in your answer. Provide at least 2 examples from the story. (#3 Inference/Predictions)

Based on information from the story, what inference/assumption could you make about what motivates the antagonist and/or the protagonist to act a certain way. Explain. Refer to at least one example from the story. (#3 Inference/ Predictions)

According to the story, describe one way in which two characters in the story are different or similar. Give an example from the story for both characters. (#6 Compare/contrast)

Based on information from the story, what inference/assumption could you make about what motivates the antagonist or protagonist to act a certain way, or predict what will he/she do at the end of the story. Explain. Refer to at least one example from the story (#3 Inference/ Predictions)
